

ASBESTOS AWARENESS Course Programme

Aim of the Course:

To provide the key skills needed to avoid inadvertently disturbing asbestos materials in buildings and to provide workers with the level of awareness needed to understand the dangers associated with asbestos exposure.

Objectives:

- To learn about asbestos products and their uses within buildings.
- To raise awareness of the health hazards associated with exposure to asbestos fibres.
- To provide the key skills necessary to ensure asbestos material is not disturbed.

Methods used:

PowerPoint presentation, practical samples and end of unit exam.

Course content:

- Introduction
- What is asbestos and where does it come from?
- History of the use of asbestos
- Legislation & Guidance
- Health effects ~ The building workers plague
- Location of asbestos in buildings
- Precautions to be taken & Golden rules
- End of Course review

A **Certificate of Competence** is awarded to all delegates who attend the course. This Certificate is valid for 3 years.

How do I book a place on the Course?

Courses are delivered either in-house or at various venues throughout the Year. We also offer bespoke training according to the Client's needs. For further details or to book a place on the Course please contact us:
